300 LED Lumen

3 watt speakers

Long lifetime

HDMI

USB

Integrated autofocus

Elegantes Design

The big screen to take anywhere

Enjoy audiovisual content in large format from anywhere with the affordable mobile HD projector.

Art.-No.: 919W9AA

Product overview

DIFFUSE REFLECTION PROJECTION: EYE PROTECTION WITHOUT BLUE LIGHT

The projector utilizes the principle of diffuse reflection, where the light source does not directly enter into your eyes. This results in a soft and comfortable projection effect, reducing blue light & flickering, which can effectively lessen eye fatigue and irritation. This does not only reduce long-term viewing fatigue but also helps protect your vision health.

ENHANCED DURABILITY AND MAINTENANCE-FREE

The CP180 utilizes fully enclosed projection engine technology, along with the LED (non-traditional bulb) light source, providing a dust-free and lamp-free operation. This ensures reliable performance, a long-lasting experience, and requires almost no maintenance.

INTEGRATED OTT PLATFORM AND WIRELESS PROJECTION

With its streaming video apps downloaded from Preload APP Store, the CP180 offers seamless access to online videos, television programs, & other streaming media contents.

The Wireless Projection feature allows seamless connectivity with iOS & Android devices, enhancing versatility & convenience.

AUTO FOCUS FEATURE, FLEXIBLE AND CONVENIENT

Equipped with autofocus technology, CP180 allowing it to automatically adjust focus at various distances. This feature ensures a clear & sharp projection image, eliminating the needs for manual focus adjustment.

MULTIPLE INTERFACES, PLUG AND PLAY

Connect your phone, tablet, laptop, or DVD player through the HDMI interface for quick and easy projection. You can also use the USB port to play content directly from external flash drives.

3W SPEAKER, AUDITORY ENJOYMENT:

Equipped with built-in 3W speaker, the CP180 delivers enhanced audiovisual experience. It also supports Bluetooth in/out, allowing you to connect external devices wirelessly for a customized audio experience. Additionally, it has built-in Bluetooth output, enabling you to connect to Bluetooth speakers for a superior audio experience.

Package contents

1x HP CP180, 1x Power Adapter, 1x Power Cord,
1x Remote Control, 2x AAA Battery, 1x Quick Start Guide,
1x Product Notice
