Large display  
in a small space

# The master of sights and sounds

Say goodbye to your ordinary television and welcome to a world of unlimited possibilities.

Turn any room into your own private movie theater by projecting an impressive screen of up to 100" in stunning FHD (1080p) quality.

Enjoy an unprecedented world of entertainment, where every movie, every show and every game becomes an audiovisual experience in a class of its own.

Art.-No.: 6Y8U9AA

Product overview

**FULL HIGH-DEFINITION CLARITY**

Project content in native FHD (1080P) resolution with brightness rated at 600 LED for a superior viewing experience with high-contrast and razor-sharp picture.

**FOR SPACES OF ALL SHAPES AND SIZES**

With its 1.2 throw-ratio lens, you will be able to project a screen size of 80 inches (203cm) from just 7.2ft (2.2M) away. That means you can enjoy a large screen cinema-like viewing experience even in compact spaces.

**PRECISION FOCUS**

With motorized focus adjustment by remote control, a perfect display is just a few clicks away.

**STREAM YOUR FAVOURITE SHOWS**

Hidden chamber design with mini HDMI and USB for streaming stick to instantly access and stream movies, TV series and multimedia - wirelessly.

**PLUG & PLAY**

Connect your phone, tablet, laptop, TV stick or DVD device with a compatible cable via HDMI for swift and effortless projection. USB support allows for even quicker access to display your favorite content directly from your external flash storage.

**FULL RANGE SPEAKERS**

Embedded 5W\*2 stereo speakers deliver balanced sound whilst watching your favorite content.

**ENDURING PERFORMANCE**

Utilizing LED (lamp-free) optics, the operational life is rated of up to 20,000 hours. This ensures the projector will deliver a lifetime of multimedia experiences with almost zero maintenance.

Package contents

1x HP CC500, 1x Power Adapter, 1x Power Cord, 1x Remote Control, 2x AAA battery, 1x Quick Start Guide
