Item no.: C42LSAA

Projector MC400

PRODUCT OVERVIEW

ADVANCED VISUAL EXPERIENCE

The MC400 delivers 150 ISO lumens of brightness, providing vivid, vibrant visuals in low-light environments. With native HD resolution (1280×720P), enjoy sharp clarity and rich detail for a truly immersive viewing experience.

PROJECT ANYWHERE, ANY WAY

Featuring an innovative 90° rotation design, the MC400 allows flexible projection onto walls, ceilings, or floors—adapting effortlessly to any room layout.

BIG SCREEN, SMALL SPACE

With a short throw ratio of 0.9, the MC400 projects a stunning 70" screen from just 1.4 meters (4.6 ft) away—perfect for compact living areas and mobile setups.

POWER ON THE GO

Designed for true portability, the MC400 features USB-C power input, allowing you to enjoy movie nights or deliver presentations anywhere—no wall outlet required.

SMART & SEAMLESS ENTERTAINMENT

Preloaded with an App Store and equipped for wireless projection, the MC400 lets you stream content directly or mirror your device with ease—no cables necessary.

ULTRA-COMPACT DESIGN, BIG PERFORMANCE

Lightweight and ultra-compact, the MC400 is designed for life on the move. Slip it into your bag and take high-performance projection wherever you go.

EFFORTLESS FOCUS ADJUSTMENT

Adjust focus with precision—right from your seat. The remote-controlled focus system ensures a sharp image in seconds, without manual fiddling.

MULTIMEDIA-READY CONNECTIVITY

Connect your world effortlessly. The MC400 supports Wi-Fi projection, HDMI, USB, and Bluetooth Out, making it compatible with phones, game consoles, laptops, and speakers.

BUILT-IN SOUND

Equipped with a 3W built-in speaker, the MC400 delivers clear, room-filling audio—no need for external speakers in small to medium spaces.

ENERGY-SMART, ECO-FRIENDLY DESIGN

Designed with energy efficiency in mind, the MC400 consumes less power, runs cooler, and supports longer usage—ideal for both home and travel while being kinder to the planet.
